

DAYTONA >>

THE DIFFERENCE IS DISTINCT

Track Marshal

Location: Daytona Tamworth, Staffordshire

Department: Venue Operations

Reporting to: Senior Track Marshal / Duty Manager

Hours: Full-time (flexible, including evenings and weekends)

Looking for an active, hands-on role where no two days are the same? As a Track Marshal at Daytona Tamworth, you'll be right at the heart of the racing action, helping deliver safe and exciting race events while supporting drivers, customers, and track operations at the Midlands' largest outdoor racing track.

Why Join Us

- Work in a fast-paced, high-energy motorsport environment
- Be part of live race events where no two days are the same
- Full training provided – no previous experience required
- Join a friendly, supportive team who work closely together
- Build confidence, communication skills, and real responsibility
- Ideal for students or anyone looking for active, hands-on work
- Gain experience working at the Midlands' largest outdoor racing track
- **Clear opportunities to progress into Senior Track Marshal, Race Director, and wider venue management roles**

About Daytona & Tamworth

Daytona is the UK's leading karting operator, delivering one of the most authentic motorsport experiences available in arrive-and-drive karting. From championship-winning DMAX race karts and iconic endurance events to corporate experiences and junior driver development, Daytona provides unrivalled racing opportunities for drivers of all levels.

Daytona Tamworth is the midlands largest outdoor racing track, operating in a fast-paced, customer-focused environment. Quality, consistency, and teamwork are at the heart of everything we do, ensuring every customer receives a safe, professional, and memorable experience.

The Role

As a Track Marshal, you will play a key role in the safe and smooth running of race sessions. Working trackside and in the pit lane, you will assist drivers, respond to on-track incidents, and support race control while delivering a professional customer experience.

This is a physical, outdoor role suited to someone who enjoys staying alert, working as part of a team, and being involved in live events.

Key Responsibilities (include but are not limited to)

- Monitor assigned areas of the circuit during live sessions
- Use flags, lights, and radio communication in line with procedures
- Respond to on-track incidents and recover karts safely
- Support pit lane and start/finish operations
- Assist with circuit setup and basic safety checks
- Communicate incidents or safety concerns to Race Control
- Deliver a friendly, professional experience for all customers
- Keep trackside and marshal areas clean and organised

What We're Looking For

- An interest in motorsport or live events
- Strong awareness and ability to stay calm under pressure
- Physically fit and comfortable with outdoor, active work
- Professional and confident when interacting with customers
- Flexible availability, including weekends, evenings, and bank holidays
- A positive attitude and strong commitment to safety
